## ABOUT ME

I am in the 3rd grade at Uskudar University Occupational Therapy Department. I am a student focused on bringing my profession to beautiful places. Occupational Therapy can shed light on the darkness of every person. Based on this situation, I want to make Occupational Therapy much more accessible. My primary goal in this way is to explore the field as much as possible and to have internship opportunities. Currently, I am looking for and institution for my Erasmus internship where I can experience.
